

EXCLUSIVE DINING AT WAVE

Located at W Chicago – Lakeshore, WAVE combines the luster of a sleek urban atmosphere with the finesse of a restaurant grounded in culinary exploration. Mediterranean inspired, WAVE's cuisine showcases Executive Chef Kristine Subido's global spice expertise in every dish. Pulsating music blends with mingling guests as they sip on our signature sangria and mojitos while overlooking the shore of Lake Michigan and Navy Pier, both just steps away. Between the sensuous dining room, the sleek bar-lounge and the bold flavors, it is no surprise WAVE is a favorite for both locals and travelers alike.

EXCLUSIVE DINING OPTIONS

WAVE offers a modern chic atmosphere with a stunning panoramic view of Lake Michigan and Navy Pier. With light wood tables and gorgeous glass walls, the **ENTIRE RESTAURANT** can seat up to 125 for breakfast, lunch or dinner, and host up to 200 for a cocktail reception.

Lounge with your guests in the **LOWER POD**, perfect for cocktail parties of up to 35 people. With sleek white leather couches, accented by red pillows and a fireplace art sculpture, this space is perfect for corporate happy hours and bachelorette parties.

For a more intimate setting consider our **RED ROOM** with space for up to 45 guests. This semi-private space set just off of the bar features mirrored walls and banquet style seating. Perfect for all gatherings and popular for baby and bridal showers, this space offers privacy yet fully captures the energy of the restaurant.

Whatever your party preference, allow our expert event director to walk you through the range of menus and beverage packages available for a wide variety of cocktail parties or sit-down receptions. Looking to throw an event that offers more than great food and drink alone? Engage your guests with a customized private cooking class, cocktail clinic or unisex "hip" tea for a party. You could call it the new WAVE in event planning!
